Program Description

This program lets you explore the life and style of Goan people. This is a very important step that will prepare you for your stay in India. Loads of new things will be introduced to you and it will be the time to ask all your questions about the organization, the programs, the country, the culture and anything else that might come to mind.

Moreover, there will be language lessons, cooking classes, yoga sessions, sightseeing, visits to authentic Indian homes, workshops that will introduce you to the culture, visits to our project locations and much more!

You will also have the opportunity to learn about the projects which you will be participating on and training will be given to you prior to beginning your project the following week.

Local language communication will be part of this program, hands-on Indian cooking class, yoga sessions, visiting scenic sights and surroundings, and project training workshops. All these encompass this week making your entry to the Goan life.
