📍 Thailand - Udon Thani

Welcome to the Thai Art Studio, where your creative energy and local art techniques come together to form amazing works of art!

Learn Thai Art techniques and use them in your own creative way. Work with a local artist and develop your own expressions of your experience, that you can take home with you. Paint on recycled paper, do landscapes on canvas, create and decorate a handmade fan, you might even get to paint a live model. The true goal here is fun, and artistic self expression.

Program Description

The Thai Art Studio is located in a friendly community environment that encourages growth and inspires creativity. It is situated in an area filled with natural beauty and is rich with culture. Nong Bua Lamphu is one of the country's newest provinces, it became the 76th province of Thailand when it was established on December 1, 1993.

You will get your hands moving in an Art studio, right smack dab in the middle of nature, which is great for creative minds. Come relax and unwind in a place made for artists - by artists. Here, everyone is encouraged to have fun with their art, enjoy the creative process, and to be as free and authentic as possible.

During this program we invite you to learn more about the Thai Art culture, where you'll find yourself in nature painting landscapes with Thai techniques, making flower garlands and wish ribbons, painting pottery, using recycled paper, and lots more.

Please note: All items made by you may be taken back home as souvenirs.
