📍 Indonesia - Labuan Bajo (Flores)

Visit this beautiful Island town of Flores in Indonesia. And teach children of various age groups to make a very significant and worthwhile contribution.

You will have the freedom to be creative and design your own lesson plans in a relaxed environment matching the local ways of doing things as you will be surrounded with the friendliness of the children.

You can help them improve their knowledge of English and help them build their confidence.

Program Description

Though being an island in Flores, Indonesia is still trying to keep up with the rest of the country. Hence the support required to improve the living standards of the people are higher and more crucial here. The education system is similar to the rest of the country; however, the need for better facilities for education is evident.

In our teaching project, we aim at providing assistance to the children in Flores, especially to improve their knowledge and skills in the English language.

Program Duration & Availability

Min duration (weeks): 2

Aims & Objectives

The objective is to teach English and motivate children of different age groups.
