📍 Nepal - Kathmandu

Take part in the rebuilding efforts and support the needy communities in this beautiful Himalayan country.

Join us in our efforts to construct and renovate public buildings that require to be upgraded to provide a better standard of living for the communities. Therefore, we have taken up rebuilding projects in various areas of Kathmandu in restoring schools, hospitals, community centers and homes.

Program Description

You will be able to participate in renovation and construction activities in schools, children's home, rehabilitation centers, KAT Centre (Kathmandu Animal Treatment Center), disabled children's home and women empowerment center. During this project, you will be staying in Kathmandu at our center.

Your daily work would involve outdoor construction and renovation activities including, demolishing broken structures, building walls, painting, carpentry, fencing the school premises etc.

Program Duration & Availability

Min duration (weeks): 1

Aims & Objectives

To rebuild the damaged institutions such that the children can come back to attend schools and rebuild their future, and construct and renovate public buildings to create better standards of living for local communities.

Schedule

Monday to Friday

The activities vary depending on the needs at the time. However, the main tasks are the following:

- Bringing down broken structures
- Building walls using cement, sand, stone, bricks etc
- Painting
- Basic carpentry work
- Fencing the school premises
- Preparing mixture of cement, sand and water
- Shift rocks from one place to another

This schedule can be changed and/or amended depending on weather conditions, local conditions and unforeseen circumstances.
