📍 South Africa - Cape Town

Assist teachers in class at a primary school situated in a suburb on the outskirts of Cape Town.

Be around children from various backgrounds and help them to achieve their full potential in the academic area in their lives.

Encourage education in the class by creating innovative learning experiences while assisting the teachers in the day to day tasks and responsibilities.

## Program Description

You will play an important role in assisting the teachers in the classrooms and improving the learning experiences in the classroom of a primary school. Your care and attention would play a major role in the classroom while you will be teaching and interacting with the children.

You must have a passion for teaching and the ability to operate independently in the class will also be important. The main areas you will be involved in during your program are education & sports. From time to time, you will be called upon to create activities, lesson plans as well as organize various events with the children.

Your tasks and responsibilities:

- Assist with supervision in the classroom
- Supervising the children during playtime & reporting any incidents to the teachers
- Assist teachers coaching sports teams after school
- Assist in the classroom with individual assistance
- Supervision during school outings

## Program Duration & Availability
