Program Description

Our program includes a mix of engaging leisure activities and providing aid to projects in order to give back to the Thai community. Based in the seaside town of Hua Hin, you will also get free time in the afternoons to fully enjoy the gorgeous beach surroundings.

Cultural Excursions

The Hua Hin Beach Combi is filled with cultural activities that will show you authentic Thailand. Buddhism will play a big part with several visits to Buddhist temples ('Wat' in Thai) to learn about Thai Buddhism and to assist the monks with their daily chores. Moreover, there are also visits scheduled to several local markets where you can witness the local Thai lifestyle and taste scrumptious food, delicacies and other products.

Beach Conservation (Environmental)

Everybody enjoys the beautiful and tropical beaches that Thailand has to offer. Local people will educate you about the flora and fauna surrounding the beaches in Hua Hin, and what the people undertake to protect and conserve them. You will be expected to play your part in helping with the conservation of Hua Hin's natural surroundings.

Beach

Every day, we will take you to a different beach where you will be able to sit back, relax and unwind amidst white sand and crystal-clear blue waters.
